

Basic Detail Report

Title Woman's Hat

Date 1968

Primary Maker Molly Zirin

Medium Machine and hand stitched, plain weave fabrics with elastic and plastic combs. Hat form is probably a pre-made, highly stiffened fabric.

Description Pillbox style hat made with a plain-weave, turquoise fabric. The short sides of the crown are decorated with three folds of fabric. There is a half-bow sewn at the back. The top of the hat is flat fabric. The form was probably mass manufactured - a pre-made form of highly stiffened, loosely woven fabric. The inside is lined with a matching fabric with a dark turquoise grosgrain ribbon for a headband. Two small, yellow plastic combs are stitched one on each side, held in place by short loops of elastic.
