

Basic Detail Report

Title American Perpendicular Church

Date about 1930

Primary Maker John J. McMahon

Medium Drawing; pencil on paper stapled on construction paper, magazine cut-out

Description Drawing includes elevation that shows a five bay church building with vertical concrete block pilasters and minimal decoration. There is a high tower at the end of the nave. A magazine cut-out of the building with similar style was used as a reference.

Dimensions Sheet (height x width): 11 x 8 1/2in. (27.9 x 21.6cm)
