## Title House for Miss Elsie L. Bolles, Whitney Street, Hartford

Date 1915

Primary Maker William T. Marchant

Medium Architectural Drawings, black, red, yellow inks, and pencil on tracing linen; Blueprints; cyanotype on paper

Description Plans for a three story stucco over brick colonial revival house featuring a gambrel roof with hipped roofs on the veranda, second floor porch, and rear attic level dormer. Notable features of the house include the first floor enclosed veranda, second floor rear porch with storm sash screens and flower boxed ledges, as well as the recessed front entry with a paneled door, sidelights and a fan light transom window with lead divider tracery. Windows on the house are primarily louvered double-hung sash windows in a multilight over single

# Basic Detail Report

light configuration, with large tripart windows featured on the front and south

elevations. Nine drawings are included in the set; front, rear, north and south

elevations, as well as cellar, first floor, second floor, attic & roof, and garden

plans. The cellar plans include a cold room, laundry room, range coal bin, heater

coal bin, W.C. (toilet) and heater. The first floor plans include an enclosed

veranda, living room, dining room, entry hall and recessed entry, butler's pantry,

kitchen, rear porch, pantry, and music room. The second floor plans include:

four chambers (bedrooms), a bath, linen closet, hall, front alcove, and enclosed

rear balcony. The attic plans include unfinished space, a hanging room, maid's

room, and bath. The garden plans include grades leading to an open garden

terrace.

Dimensions Primary Dimensions: 18 1/4 x 14 1/4in. (46.4 x 36.2cm)
