

Basic Detail Report

Title Capitol and Memorial Arch, Hartford

Date after 1878

Primary Maker Marie Kendall

Medium Photography; albumen print on paper on cardboard

Description On the left, a road that passes through an arch between two towers.

There is a bridge in the lower left foreground and the tower on the right side is partially reflected in the water under the bridge. On the left is a large domed building in the Eastlake Style of Queen Anne architecture, set on a hill behind a large expanse of lawn with trees on it. In the foreground on the right, a utility pole is visible.
