Basic Detail Report

Title Appalachian Trail: The Connecticut Trail System

Date 1934

Primary Maker Connecticut Forest and Park Association

Medium Lithography; black printer's ink on wove paper

Description Trail map of the Appalachian and the Mattatuck Trails as they run through Connecticut, from Indian Rocks at the border of New York to Bear Mountain at the border of Massachusetts. Along the routes are circled numbers that mark trail or road junctions, as well as circled "S"es that denote the locations of springs. Other, smaller trails are also included and labeled, as are mountains and their height in feet. The Berkshire Division of the New York, New Haven and Hartford Railroad runs north-south across the map, and the Southern New England Railroad runs east-west.

Dimensions Primary Dimensions (image height x width): 27 x 13 1/4in. (68.6 x 33.7 cm) Sheet (height x width): 28 1/8 x 14 1/4in. (71.4 x 36.2cm)
