## Title Bridgman Chateau, Norfolk

Date about 1900

Primary Maker Marie Kendall

Medium Postcard; gelatin silver print on postcard

Description A large residence with multiple chimneys, rounded tower and several roofs, nestled below a hill. Gently sloping expanses of grass, dotted with a gazebo, small evergreens and larger deciduous trees with bare branches, extend in front of it. A low stone wall runs horizontally across the foreground. At the top of the hill and to the right of the chateau are two more, smaller, houses. Haystack Mountain is in the background.
