

# Basic Detail Report

**Title** New Map of Hartford and West Hartford, Connecticut

**Date** about 1954

**Primary Maker** Price & Lee Co.

**Medium** Photo offset lithography; black printer's ink on wove paper

**Description** Two-sided map shows Hartford and West Hartford on the front (side a), and East Hartford on the back (side b). The map of Hartford and West Hartford extends to the town lines of Bloomfield and Windsor to the north, the Connecticut River and town line of East Hartford to the east, the town lines of Newington and Wethersfield to the south, and the town lines of Farmington and

# Basic Detail Report

Avon to the west. The map of East Hartford extends from the town line of South

Windsor to the north, the town line of Manchester to the east, the town line of

Glastonbury to the south, and the Connecticut River and boundary of Hartford

to the west. Both maps have street indexes and show the local roads, bus and

trolley routes, railroads, parks, hospitals, reservoirs and rivers.
