

Title Views of Rockville and Vicinity

Date 1860-1910

Primary Maker George M. Bolton

Medium Photography; albumen prints on paper on cardboard mounts

Description Views by Rockville photographers include a view of the Rockville

Bank, a church, a business block, a stone factory building under construction,

and the Stafford Springs Hotel. Boston & Albany Railroad cars are in the

foreground of the photograph of the hotel. One photograph shows spectators at
the Rockville Fair watching a performance by acrobats. Part of the John S. Craig

Collection.
