

Basic Detail Report

Title Santiago de Cuba Province, Cuba

Date 1898

Medium Lithography; black and red printer's ink on cotton

Description Map of part of the province of Santiago de Cuba. Places are marked with their name and a circular symbol. Roads and what appear to be railroads are shown. Physical features include islands. Water depth in fathoms is shown around Bahia de Nipe. Other numbers are shown around on the map, in the areas representing water. Some of the numbers have letters representing some kind of units of measurement, although what they are is unclear. In the top left is an inset index map showing all of the maps in the series.
