

Basic Detail Report

Title Pearl Street Construction, Hartford, Connecticut

Date 1988

Primary Maker Richard Welling

Medium Drawing; black ink on paper

Basic Detail Report

Description Drawing of Pearl Street in downtown Hartford, Connecticut. In the

foreground is the construction site for 100 Pearl Street, with a crane and other

construction machinery on site. Behind it is City Place, which appears to be

complete. There is a piece of heavy machinery on Trumbull Street that appears

to be demolishing a building. Other unidentified buildings are also depicted.

There are automobiles on the streets and pedestrians on the sidewalks.
