

Basic Detail Report

Title South view of Saugatuck bridge, Westport.

Date 1834

Primary Maker John Warner Barber

Medium Drawing; pencil on paper

Description Rough sketch of the Saugatuck River at Westport. The bridge across the river is in the distance, with houses, warehouses and other buildings on either side. A sailing vessel is in the river on the right below the bridge. Two men are standing on a wharf in the left foreground. There are ink smudges at lower right.

Dimensions Primary Dimensions (overall height x width): 7 1/2 x 10 5/8in. (19 x 27cm)
