

# Basic Detail Report

## **Title Salisbury.**

Date 1835

Primary Maker John Warner Barber

Medium Drawing; pencil on paper

Description Rough sketch of Salisbury center. In the center front is the bridge over the Wachocastinook Creek and road leading down the main street of town.

To the right just behind the trees is the preliminary outline of the Congregational Church. Across from the church is a public house with a hanging sign. According to Barber, this building was constructed from the frame of the old Meetinghouse.

Dimensions Primary Dimensions (overall height x width): 6 11/16 x 7 7/8in. (17 x 20cm)
