

Basic Detail Report

Title Bridgeport.

Date probably 1836

Medium Drawing; ink on paper

Description A view of Bridgeport from across the harbor. On the shore in the foreground a man, probably a self-portrait of the artist, sits with a companion sketching. A drawbridge extends across the harbor to the town. A steamship and sailing vessels are in the foreground. Three church steeples are visible among the buildings in the background.

Dimensions Primary Dimensions (overall height x width): 2 3/4 x 4 3/4in. (7 x 12cm)
