

# Basic Detail Report

**Title** Mansion House of M.S. Mitchell, Esq., Southbury.

**Date** 1836

**Medium** Wood engraving; printer's ink on paper

**Description** The main building is two-story Greek revival house with a two-story porch supported by columns. Smaller and possibly older sections of the building adjoin this structure at the rear. Three outbuildings, probably including a barn are immediately to the left. There is a picket fence in front of the building and a rail fence on the opposite side of the street. The trees lining the street appear to be elm trees. A man, woman and boy stand looking at the mansion house.

**Dimensions** Primary Dimensions (overall height x width): 7 1/16 x 9 1/16in. (18 x 23cm)
