

# Basic Detail Report

**Title W. Corwin family, Litchfield County.**

Date 1880-1890

Primary Maker Northern Survey Company

Medium Photography; albumen print on paper on cardboard mount

Description Two older women, a young woman and two girls stand beside a rail fence beneath two large trees, apparently elms. The two-story house appears to be an 18th- or early 19th-century structure with an addition at the back and a porch added to the side. A barn is visible at the left, behind what appear to be hemlock trees.

Dimensions Primary Dimensions (overall height x width): 6 5/16 x 8 11/16in. (16 x 22cm)
