Description A man in a broad-brimmed hat stands beside a white horse on which a small child is seated. A woman wearing an apron over a print dress stands at the right, surrounded by chickens that are blurred from movement. In the background is a two-story house with a long attached shed at the left. Barrels and a sawhorse are visible within the open door of the shed. A covered pump is in front of the shed. A rail fence is at the far left.
