

# Basic Detail Report

**Title** Jim Bishop Farm, Farmington.

Date 1880-1890

Medium Photography; albumen print on paper on cardboard mount

Description Large farm with multiple barns, sheds and a house enclosed by split three-rail fence. House and barns are painted in contrasting colors. View taken from a field on left side of farm complex. The three largest barns have cupolas; the one farthest left appears to have a weathervane. There is an enclosure with stone wall and open shed in front of the barns farthest to left.

Dimensions Primary Dimensions (overall height x width): 6 5/16 x 8 11/16in. (16 x 22cm)
