

# Basic Detail Report

**Title** Back view of New Departure factory, Bristol

**Date** about 1917

**Medium** Photography; gelatin silver print on paper

**Description** Large smokestack on left and a smaller one to the right. A brick factory building and a vertical sided barn are mid view with a large tank (water or oil?). Behind the buildings is a railroad track with freight train of boxcars. A high overhead open gabled structure is over the train cars and there is a woodpile to the right of a small building with picket fence leaning on it about mid image. Beyond the tracks in the background is a city streetscape of 2-story houses. On the right is a large masonry building and a church.

**Dimensions** Primary Dimensions (overall height x width): 3 9/16 x 6 11/16in. (9 x 17cm)
