

Basic Detail Report

Title American Pin Company dam, Waterville (Waterbury)

Date about 1905

Medium Photography; gelatin silver print on paper

Description Water falls over a high dam in a narrow rocky gorge, presumably on the Naugatuck River. The corner of a large industrial building is at the left. A small iron bridge crosses the stream just above the dam. A small brick building is immediately to the right and a frame building, utility poles and trees are in the right background.

Dimensions Primary Dimensions (overall height x width): 5 1/8 x 7 1/16in. (13 x 18cm)
