

# Basic Detail Report

## Title Steam Engine on Tracks

Date 1965-2009

Primary Maker Richard Welling

Medium Drawing; black marker on paper

Description Drawing of a steam engine (number 75) with a figure in the cab. It is pulling a cargo car with the phrase "Waist Line" on the side. There is a person in overalls and a hat standing next to the tracks on the left, and another person on top of the engine. Steam is depicted coming out of the smokestack and steam dome.

Dimensions Sheet (height x width): 10 1/4 x 13 5/8in. (26 x 34.6cm)
