

Basic Detail Report

Title The Unitype Company, Hilliard Street, Manchester

Date before 1903

Primary Maker Fred R. Brewer

Medium Photography; gelatin silver print on paper on cardboard mount

Description Exterior view of a brick commercial building with lettering that reads: "The Unitype Company." Two men look out of second-story windows. A smokestack, a flagpole and a watertower are visible above the roof. The tower at the far end of the building is probably a stair tower. A frame addition with sliding doors is at the front of the building. A large frame building is at the far right. A freight car is on the railroad tracks in the foreground. Signs on it read: "1249" "Wt. 23500" "Capacity ...0000 lbs."

Dimensions Primary Dimensions (overall height x width): 7 7/8 x 9 13/16in. (20 x 25cm)
