## Title Gas Tanks and Construction Materials

Date 1981

Primary Maker Richard Welling

Medium Drawing; black ink on paper

Description Drawing of about ten gas tanks within an enclosure, with three ropes that end in nooses hanging off the side of the enclosure. Behind them is what appears to be a dumpster. Looming over them is what may be a crane and a structure under construction consisting of a platform supported by metal beams. What appears to be a highway light is in the right background.

Dimensions Sheet (height x width): 16 x 22 1/8in. (40.6 x 56.2cm)
