## Title Medical Saddlebag

Primary Maker Dr. Cyrus Pendleton

Medium leather; metal; glass

Description Leather medical saddlebag originally owned by Dr. Cyrus H.

Pendleton of Hebron, Conn. It has a round-oval shape. Inside the bag is an open compartment with three compartments along the back side for medicine bottles. All three bottles are still in the bag. The bottles are short and round and still have its contents. Bottles are labeled to hold Morphine Sulphate. (a)

saddlebag (b-d) glass medicine bottles
