

Basic Detail Report

Title Brandenburg Gate

Date 1944-1945

Description Black and white photograph by Thomas F. Oakes of the Brandenburg Gate, Berlin, Germany. The 18th-century neoclassical monument occupies the background of the photograph. The middle ground features a military vehicle driving towards the gate. There is a plinth bearing the Soviet hammer and sickle with three flag poles in the foreground indicating the dividing line between the British and Russian Zones, these areas later became West and East Germany.

Dimensions Primary Dimensions: $2\frac{1}{2} \times 2\frac{1}{2}$ in. (6.4×6.4 cm)
