

DR. MANNING,

Dentist,

NO. 405 MAIN STREET,  
MILLER BUILDING, OVER STEELE'S,  
HARTFORD, CONN.

The usual price for extracting teeth with gas is \$1.00; I WILL DO IT HEREAFTER FOR FIFTY CENTS; I mean what I say!

With fifteen years practice, and having as assistant a graduate of a dental college (who helped introduce the gas with public lectures), I offer Ability, Experience, and Cheapness IN EVERY BRANCH OF DENTISTRY.

The firm of C. C. Dills and Associate Dentists adjoins rooms with me, and through interchange of services I am enabled to offer my patients the beautiful Porcelain style of artificial dentures—Dunn's patent—for which Dr. Dills holds exclusive right of Hartford County.

W. H. MANNING.
