New Entrance, 44 State St.

*Established 1845 — and Growing*

We have been serving the people of Hartford and surrounding towns with the finest fish, oysters, clams, scallops, hard crabmeat, soft shell crabs, lobster and shrimp the market affords. Today this store holds the proud reputation as being one of the oldest exclusive oyster and sea food houses in the United States. Established in 1845, the present management turns with pride to the fact that today there are customers on their books who are great grandchildren of the customers of the store of '45. That's a valuable criterion as to the satisfactory principles of the present day Honiss Oyster House Co.
