Use the authorization on the other side, checking the series and denominations of bonds you want.

Print clearly the name(s) in which you want bonds registered. There are three kinds of registration:
(a) *One person*.—The name of one person alone.
(b) *Cocooners*.—The names of two persons (giving either the right to redeem).

(c) *Beneficiary*.—The name of one person as owner and one other as beneficiary. (The beneficiary becomes the sole owner if he survives the owner.)
