

Basic Detail Report

Title The Whitney Manufacturing Company, Hartford, Connecticut

Date 1914

Medium Drawing; gouache on paper or illustration board in frame

Description Drawing of the Whitney Manufacturing Company building at the corner of Hamilton Street and Bartholomew Avenue in Hartford. The low aerial perspective shows the street-facing facade of one side of the building, with a perpendicular wing extending behind it. There is a chimney with smoke coming out of it. There is a raised sign that reads, "THE WHITNEY MFG. CO. / HARTFORD CONN." In the mid background on the left is another factory; on the right there is a steam train. In the far background there are houses and other low-lying buildings.

Dimensions Primary Dimensions (image height x width): 27 × 45 1/2in. (68.6 × 115.6cm) Frame (height x width): 29 1/4 × 47 1/2in. (74.3 × 120.7cm)
