Basic Detail Report

(e-f) two order coupons, (g) "Quotes" What Others Say, and (h) merchandise

envelope. The (a) fertility tracker consists of two circular discs that rotate to indicate the fertility window. There are blank spaces on the back of the tracker where the user can track the dates of when menstruation begins, cycle, and possible fertility. The handout (b) titled, "Sex & The Rhythm: Rhythm Control vs. Contraceptives" was written by Margaret G. Hiskins. It describes the rhythm method and how to use Preg-No-Matic. The booklet (c) titled, "Preg-No-Matic Time Table Model" explains how to use the Preg-No-Matic in conjunction with the charts enclosed in the booklet. The handout (d) titled, "An Important New Discovery! The New Ovulation-Temperature Method" explains pregnancy and ovulation. The kit includes two (e-f) order coupons for the Preg-No-Matic. The handout (g) titled, "'Quotes' What Others Say" provides reviews from Catholic Church members and medical doctors. The tracker and documents were sent to people in a (h) merchandise envelope.
