## **Title Marion Cheney**

Date about 1897

Medium Photography; black and white photograph on paper and cardstock

Description Three-quarter length studio portrait of Marion Cheney as an infant.

She is sitting in what appears to be a wooden chair, looking to the left. Marion is wearing a white or light-colored dress that has ruffled cuffs and a wide ruffled collar. Her hair is thick and dark. The photograph is attached to a piece of cardstock that is light gray on the front and tan or off-white on the back. The front of the cardstock has a white space in the middle where the photograph is pasted. There is a thin border around that area, then a thick embossed border, a thin white line, and another thin border that is embossed with a different pattern.
