**Title** Lord family coat of arms

Primary Maker Unknown

Medium Painting; oil on canvas in frame

Description Lord family coat of arms painted by an unknown artist. It is diamond-shaped in a gilt and black painted wooden frame. The arms are argent, on a fess between three cinquefoils azure, a horse between two pheons of the field. The crest is a demi horse above a helmet. The background is black and the arms are surrounded by a wreath of green leaves. Underneath the shield are two interlaced scrolls on which the phrases "Dies mehi sol" and "Borne by the name of Lord" appear.
