/57--Windsor Locks, Conn.: Mrs. John McMullen, mother of twins Billy and

Michael, 6, told Principal Richard Ahern earlier he could tell boys apart because

Bill had front tooth missing. But when boys showed up at school today, Michael

also had identical molar gone. To make matters of identity even more difficult,

boys dress alike, even count same number of freckles. --UP Telephoto rrl BH

Dimensions Primary Dimensions (overall height x width): 7 1/4 × 9in. (18.4 ×

22.9cm)
