/58-NEW HAVEN, CONN.: Healthy and happy after historic heart operation

performed successfully for the first time in humans, only six mos. ago, on 7-yr.-

old Kenneth Murray of New Canaan. Young Kenneth's father smiles as the boy is

off for a day of fun with fishing pole and bike, proof of his amazing recovery from

operation in which surgeons at the Yale New Haven Medical Center re-routed

part of his blood circulation to permanently by-pass the right side of his heart in

order to treat congenital defects in Kenneth's heart. FOR RELEASE AT 6:30 PM
