## Title Woman's Wedding Shoes

Date about 1770

Primary Maker Hannah Whitman

Medium Hand-stitched leather, wood, and linen

Description Red textured leather shoes, with narrow Louis heels, slightly pointed oval toes, and latches which would have buckled over the vamp. One shoe has a cut steel buckle, but it is not original to the shoe, as it is much too big. The tongue is pointed. The uppers are bound with silk tape. The shoes have a continuous leather sole and are lined with plain-woven linen. They are straight, not left and right.

Dimensions Primary Dimensions (height x width x depth): 4 x 2 1/2 x 8 1/4in.
