

# Basic Detail Report

## Title Town of Ellington

Date 1869

Primary Maker Orlando Willis Gray

Medium Lithography; black printer's ink and watercolor on wove paper

Description Sheet of maps of Ellington, Connecticut, the main one depicting the entire town, from the town lines of Somers and Stafford to the north, the Willimantic River to the east, Tolland and Vernon to the south, and East Windsor to the west. The town is divided into nine numbered sections, with local roads running through each of them. Buildings are depicted with black squares and are labeled with the property owner's name. Above this map on the left is an inset map of Windermere, along the Hockanum River in the southern part of Ellington, and the mills and companies situated nearby. To the right is an inset map of Somers Street, lined with black rectangles representing buildings and labeled with the owner's name. Below are two side-by-side maps, one of

# Basic Detail Report

Ellington and one of Somersville, both with local roads, buildings and property

owner's names shown
