

Basic Detail Report

Title Civic Center Roof Repair, Hartford, Connecticut

Date 1979

Primary Maker Richard Welling

Medium Drawing; black ink on paper

Description Drawing of the reconstruction of the roof of the Civic Center in downtown Hartford, Connecticut. The arena is depicted, with a crane in the center lifting a beam. There are several scaffolding-like towers on the floor in front of the second level of seats. Construction workers are pictured on the site. Soldiers and Sailors Memorial Arch, the Connecticut State Capitol, and other buildings are visible in the background.
