

Basic Detail Report

Title Boys at work on machinery, Cheney Brothers, Manchester

Date about 1915

Primary Maker W. F. Miller & Co.

Medium Photography; gelatin silver print on paper

Description Boys and young men work at benches in a factory interior. Some wear overalls. Some wear caps. The boys in the foreground appear to work on metal parts. A vise is clamped to one of the workbenches. A stapler and a book labeled: "Factory Supplies / the / C.S. Mersick & Co. / New Haven, Conn." are on a wooden desk at the right. Machinery in the right background has drive wheels and belts. Other machines in the background may be sewing machines and lathes. Pipes run along the ceiling. Electric light fixtures hang from the ceiling.
