## Title Woman's Bathing Suit

Date about 1920

Primary Maker Unknown

Medium Machine-stitched cotton sateen and mother-of-pearl buttons

Description Black cotton sateen trimmed with white piping, one-piece bathing suit with attached bloomers. The bathing suit is styled with a scooped neck, dropped waist, and a double flounce over the hips and thighs, trimmed with mother-of-pearl buttons on the sides. The legs are gathered over elastic 1 3/4 inches above the edge, creating a ruffle at the knees. A self-fabric belt ties at the waist. The suit snaps at the proper right shoulder and up the right side. The front has slight fitting created by darts extending from the shoulders.

Dimensions Primary Dimensions (center front length x width across shoulders):
