

# Basic Detail Report

## Title Woman's Boots

Date 1964-1967

Primary Maker Cynthia Mary Holden

Medium Machine-stitched synthetic knit fabric, coated with plastic; leather sole;  
rubber heel

Description Knee-high "go-go" boots of stretchy fabric coated with white plastic.

The hard black rubber heel is 1 1/2 inches high. The heel shape is slightly tapered. The toe shape is a broad rounded square. A band of elastic is encased at the top of the boot leg. The boot is lined in the area of the foot; a line of stitching surrounds the foot like a throatline.

Dimensions Primary Dimensions (height x width x depth): 16 1/4 x 3 x 9 1/2in.

(41.3 x 7.6 x 24.1cm)
