

# Basic Detail Report

## Title Woman's Boots

Date about 1880

Primary Maker H. Wireman

Medium Machine-stitched leather, enameled metal, leather-covered wooden heel

Description Blue leather buttoned boots, with a rounded square toe and Louis heel. The button fly is scalloped and laps to the outside of the boot. The ten domed shank buttons on each boot are blue enameled metal. The boot is stitched with contrasting white thread. The interior of the boot is lined with white twill-woven cotton. The soles are made for right and left feet.

Dimensions Primary Dimensions (height x width x depth): 8 1/2 x 2 3/8 x 8 3/4in.  
(21.6 x 6 x 22.2cm)
