Date late 1890s

Primary Maker William G. Simmons and Company

Medium Machine-stitched leather, patent leather, silk, and cotton, with enamelled metal buttons

Description Black leather buttoned boots, with sharply pointed toe and stacked, Louis-style heel. The boot is foxed with black patent leather; the toe box is sharply pointed in the reverse direction of the toe. The button fly is scalloped and lapped to the outside of the foot; it closes with twelve black enameled dome-shaped buttons. The top of the boot is cut straight and is lined with blue silk satin. The rest of the upper is lined with white twill-woven cotton; the sock lining is also white twill-woven cotton. The soles are shaped for the right and left foot.
