Title Woman's Boots

Date late 19th Century

Primary Maker Lucy Mather Brace

Medium Machine-stitched silk velvet, cotton, unidentified fur, and leather

Description Woman's black velvet boots to wear over shoes. The boots open

down the center front and tie with black grosgrain ribbons; the opening is

backed by a matching tongue. This opening and the top of the boots are edged

with black fur. The boots are lined with machine-quilted white cotton sateen.

The interior heel area of the boot is indented to accomodate a heeled shoe. The

leather sole has subtle shaping to follow the interior contours; they are shaped

for the right and left foot.
