

Basic Detail Report

Title Boy's Shoes

Date about 1908

Primary Maker Che Chiang Liang

Medium Machine-stitched and hand-stitched wool, cotton, silk, and cardboard

Description Black twill-woven wool, unembellished slippers, with slightly pointed toe. The uppers are lined with white plain-woven cotton; the throatline is bound with black silk. The soles are white, plain-woven cotton fabric over cardboard. There is piping covered with the black wool between the upper and the sole. The upper is cut in one piece, with a center back seam only. The sole is stitched to the upper with tan-colored twine (possibly of hemp).

Dimensions Primary Dimensions (height x width x depth): 2 7/8 x 3 x 9 3/8in. (7.3 x 7.6 x 23.8cm)
