

Basic Detail Report

Title Flood debris near industrial buildings, Hartford

Date 1936

Primary Maker Thomas F. Oakes

Medium Photography; gelatin silver print on paper

Description Debris from the flood of 1936. In the foreground, there appears to be a road that is partially washed away. There are industrial buildings in the background. Piles of debris that are spread around include lumber and part of a fence. In the distance, Travelers Tower in Hartford is visible. There is an automobile visible on the road at the right.
