

Basic Detail Report

Title Hartford Waterfront

Date 1875-1879

Primary Maker Unknown

Medium Photograph; albumen print on paper

Description Distant view of Hartford waterfront from Connecticut River, looking north from the vicinity of Dutch Point. Covered bridge at right. Frame buildings along shore, probably warehouses, and industrial buildings. Several sailing vessels along shore. Steamboat, probably the City of Hartford, is at the steamboat dock. Immediately to the left tall structures are sheer legs, used for hoisting heavy cargo, near the site of Woodruff & Beach Iron Works.

Dimensions Primary Dimensions (image height x width): 4 3/4 x 8 3/8in. (12.1 x 21.3cm) Sheet (height x width): 5 1/2 x 8 3/4in. (14 x 22.2cm)
