

Basic Detail Report

Title Horse-drawn cabs in front of Union Station, Hartford

Date 1860-1880

Primary Maker Unknown

Medium Photographic print; albumen print on paper

Description Stone railroad station with cupolas and skylights in the roof is at the left. Steam rises from railroad cars on the railroad tracks beside the platform. Horses hitched to carriages, probably cabs, are nearby. Utility poles are at the right. The corner of a brick building, probably a commercial building, is at the far right.

Dimensions Primary Dimensions (image height x width): 8 5/16 x 6 1/8in. (21.1 x 15.6cm) Sheet (height x width): 10 x 8in. (25.4 x 20.3cm)
