

# Basic Detail Report

**Title** Dr. Henry Barnard House, Main Street, Hartford

Date 1894

Primary Maker Unknown

Medium Photography; albumen print on paper on card

Description A tree-lined street splits off to the right, with trolley tracks in center, and horse drawn wagons, and a horse drawn carriage near curbs. Three-story colonial brick house at left has chimneys, shuttered windows, and a portico with Ionic fluted columns. Board fence along lawn. Wood frame gable front houses visible on right. Utility poles and wires, also a street light. South Green is on the right.
