

Basic Detail Report

Title Boy's Cap

Date 2000

Primary Maker John Hand Conard-Malley

Medium Machine-stitched polyester or cotton-polyester fabric, with fabric-covered ferrous metal button, cardboard, and plastic

Description Black cap with a red bill, and red fabric-covered button at the top, at the intersection of the triangular panels which create the cap shape. The front of the cap is machine-embroidered with "CSO / CONNECTICUT / SOUTHERN RAILROAD". At the top left of the design is an embroidered representation of the front of a train engine, with white threads suggesting sound from a horn. The bill is red twill-woven fabric stitched over cardboard; it is 2 3/4 inches wide. The back of the cap adjusts with black plastic straps which snap together at the desired length.

Dimensions Primary Dimensions (height x width x depth): 5 x 8 1/4 x 10in. (12.7 x 21 x 25.4cm)
