

# Basic Detail Report

## Title Combination

Date about 1930-1940

Primary Maker Matilda Louise Birnstill

Medium Machine-stitched knitted cotton fabric, with synthetic fiber tag

Description Woman's combination undergarment of white knit cotton. The neckline is scooped, and it is sleeveless. The legs are full, with an inverted V-shaped panel inserted at center front and back. The sides of the legs are slit for about 4 1/2 inches, with rounded edges. The underarms have a U-shaped lining. All seams and edges are serged. The combination was pulled on the body by stepping through the top--there is no other opening. A drawstring at the neckline controls its width.

Dimensions Primary Dimensions (length x width): 31 x 23in. (78.7 x 58.4cm)
