Description A large frame building with an oval window, a lunette in the gable, a two-story porch with tall columns, and chimneys is surrounded by trees and bushes. Vines grow on a rail fence in the left foreground. A picket fence is in the right foreground. A man and a woman stand in what appears to be a garden, behind the rail fence, near a small Classical pavilion with columns framing a doorway. A long fence or lattice trellis is nearby. A second man walks on a dirt road or path leading towards the building.
